

MEMORANDUM FOR THE RECORD

SUBJECT: Resume of OCB Luncheon Meeting, 9 September 1959

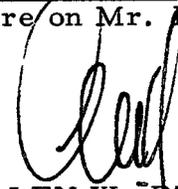

PRESENT: Mr. Allen, Mr. Dulles, Mr. Gray, Mr. Harr, Mr. McCone
Mr. Murphy, Mr. Saccio, Mr. Scribner, Mr. Smith

1. President's Trip to Europe

Mr. Murphy told the Board about some of the activities of the President and his party during the recent European trip. He indicated, among other things, that the State Department does not yet have any official document summarizing the results of the President's discussion with de Gaulle.

2. Khrushchev Visit to the U. S.

The rest of the meeting was devoted to a discussion of various aspects of the pending visit of Nikita Khrushchev to this country. Some of the members expressed concern about the possible danger of Khrushchev's using his visit as an opportunity to propagandize the American people and the rest of the world. In this connection, it was pointed out that the President has no intention of allowing the visitor to conduct himself in this way, but rather proposes that he be questioned directly and acutely on the various allegations he might make as well as those he has already made in such forums as Foreign Affairs. Plans are also under way to assure continuing pressure on Mr. Khrushchev on such vulnerable points as Hungary, Tibet, etc.
